### *Junior Golf Program*

- The Junior Golf Program is open to all children of full golfing members. Grandchildren of full members are allowed to participate in the junior golf program if space is available. In-town grandchildren, who are not members, are not allowed to play other than during specified lesson and league times unless they come with a member or grandparent. Grandchildren and family, who are not members, are subject to the same polices as a resident non-members. Spots for the Junior Golf Program will also open up to children of Dining and Social Members if space is available.
